

SHARP OBJECTS
S1E7
CAMILLE & DETECTIVE RICHARD WILLIS

INT: MOTEL ROOM

RICHARD

Where do you want to begin?

CAMILLE

It's just... It's not how it looks.
I mean, I know that sounds cliché,
but...

RICHARD

This room fucking stinks of you.
Believe me, I know the smell.

CAMILLE

He just wanted to have a few...
Get a little liquid courage before he
got arrested.
I thought maybe I could get a quote or
two, and then he wanted me to
bring him back here to sleep it off.
He didn't do it, Richard.

RICHARD

Is that what you discussed when he had
his dick in you?

CAMILLE

Look, you know that he didn't...

RICHARD

Fuck you?

CAMILLE

Kill them.

RICHARD

They found Natalie's blood where he's
been living.
Yeah. You and I have been jerking each

Babcock Studios
scene used for educational purposes.

RICHARD (CONT'D)

other off, haven't we?
It's so kinky, there's more to the
story. Back on Earth, it's the family,
Camille.
It's always the fucking family.
Man, I should have fucked the prime
suspect.

CAMILLE

Don't... Don't do...

RICHARD

I should have fucked him.
I would have cracked this fucker weeks
ago.

CAMILLE

We both lost people, Richard, and...

RICHARD

What comfort you must've been to each
other.
That's...
You know what I've been doing
for the last 24 hours?
Do you now? I've been studying you,
Camille.
Yeah, I've been studying you
because you're so fucking fascinating.
Who is she? What is she hiding?
You know, you really had me there,
but whatever happened, I'm done.

Richard starts to leave the room and Camille tries to stop him.

CAMILLE

Richard, don't...
Please don't go. Please.
Please don't hate me, okay?
Please. Please don't hate me.

Camille tries to unbutton Richard's pants.

RICHARD

Stop. Stop.
What are you doing? Get up!

CAMILLE

Please...

RICHARD

I don't think you're bad, okay.
I think one bad thing happened,
and you blamed the rest of your shitty
life on it.
People really buy it, your sad story.
But, really, you're just a drunk and a
slut.
