

THE FLIGHT ATTENDANT
S1E4
CASSIE & DAVEY

INT: RESTAURANT

Cassie sits at a table waiting for Davey.

CASSIE
Oh, hello! You are a few minutes late.
You're gonna have to work on that.

Davey looks at the drink in front of Cassie.

CASSIE (CONT'D)
Oh, my God, calm down. It's one drink.
Where's Rick and the girls?

DAVEY
They're back at the hotel.

CASSIE
Really? Why? Everything okay?

Davey reaches into his pocket and pulls out a stuffed animal.

CASSIE (CONT'D)
I'm s...I'm sorry. Are you mad that
I bought a gift for my nieces?

DAVEY
Well, did you hear me tell them no?
We did talk about it, right?

CASSIE
Jesus, yes.

DAVEY
I mean, yes or no?

CASSIE
Yes! I didn't think it was that big of
a deal.

DAVEY

It's just you think. Aunt Cassie can just fly in on her magic umbrella one day a year, break all the rules, there are no consequences.

CASSIE

Okay, come on, don't you think you're overreacting a little? I mean, my coworker lets her kid ride on the front of her car when it's hot out.

DAVEY

Well, that person should be arrested.

CASSIE

Totally. So don't go crazy on me. It's stuffed animals, come on.

DAVEY

No, it's a secret that you asked my kids to keep from me.

CASSIE

You know, I thought this would be a nice little gift for my nieces.

DAVEY

You think I don't get it, do you?

CASSIE

Oh, my God.

DAVEY

You and Dad had your secret little codes and your friendship. It made you feel special, and I...but making my kids like me less isn't going to make them love you more. All right, you want love, you should...just probably get a dog.

CASSIE

Wow. Wow, you are...That is... You're always out to make me the bad guy... it's crazy. I mean, it's so sad

CASSIE (CONT'D)
'cause I felt so close to you today.

DAVEY
You showed up drunk, smelling of
mouthwash...

CASSIE
Okay...

DAVEY
...instead of liquor, but you know...

Davey is getting increasingly louder and more angry.

CASSIE
(whispering and looking around the
room)
What? Stop!

DAVEY
...Dad used to pull the same shit.

CASSIE
Shh!

DAVEY
Oh, he did it better.

CASSIE
Are you kidding me?
Fuck that. I wasn't drunk today.
Plus, you throw drinking one vodka in
my face every time you're a little mad.
So I'm kind of immune to it by now.

Davey grabs the glass in front of Cassie.

DAVEY
One drink, when the other glass is
sitting right there.

CASSIE
God, you twist everything I say to make
your fucking point.

DAVEY

Cassie, were you drunk at the aquarium today?

CASSIE

You know what? That is such a...

Cassie knocks over her drink.

CASSIE (CONT'D)

Shit.

Oh, my God, I'm so sor... so...

You know what? Fuck that.

Everyone is drunk to you.

RESTAURANT MANAGER

Hi, I am gonna have to ask you two to keep your voices down...

DAVEY

Okay.

RESTAURANT MANAGER

...or you can take your conversation outside.

DAVEY

Okay.

CASSIE

I'm sorry. We're done.

DAVEY

Yeah, I'm going to cover the drinks, okay? Here, this should cover the... the bottle that I'm sure you're gonna get on the way home.

Davey puts the money down on the table and walks out of the restaurant.
